

K-8 Arrival Procedures 2016-17 (Morning)

In the mornings, enter Lot 1 and proceed to circle drive. Please pull forward until the circle is completely full. Students may exit once the car comes to a complete stop. Parking is not allowed in the diagonal spaces during drop-off. Students must walk along the sidewalk to the school entrance. Safety patrols will be stationed around the circle to assist students. However, students do not need to wait for a patrol to open the door to exit.

The cafeteria doors open at 7:00 a.m. and all students are to report to the cafeteria where breakfast will be available. Doors to the atrium will open at 7:20 a.m. Students will be dismissed from the cafeteria to homerooms at 7:40 a.m. The instructional day and announcements begin at 7:50 a.m.

Also, please keep the following in mind:

- Children must exit vehicles on the passenger side only; we do not want them to walk between cars that may suddenly move.
- Cars should pull around so that cars fill the circle for student drop off. Please do not stop in front of the school doors unless you happen to be in that spot in line.
- Please stay in line. If cars pull around to the left to pass, cars could start moving and cause accidents or put students at risk.
- Please drive slowly as you enter/exit the circle and parking lot. Employees and others are walking in with their children and we want everyone to be safe.
- Please use caution as you turn left onto the main drive. Employees may be entering the lot from that direction.
