ATHLETIC PROGRAM

MISSION STATEMENT

As a parish community that claims that all people have worth; we will develop and support an athletic program that will promote Christian values of friendship, good sportsmanship and team spirit, through prayer, patience, and practice. We will strive to instill discipline and self-esteem among all student athletes.

PHILOSOPHY

We believe all St. Michael parishioners and school families interested in participating in the athletic program, either by coaching, volunteering, or playing should have the opportunity to do so, by meeting the established criteria.

We recognize and affirm the worth of all people and embrace the diverse God given talents of each athlete. We accept the responsibility to teach sportsmanlike conduct and introduce the values of maintaining physical fitness.

We promote teams that play, work and pray together under the guidance of coaches and volunteers that lead Christ-centered lives.

Hence we seek to . . .

- Treat each other as partners using teamwork.
- Place emphasis on fun and instruction.
- Always keep winning and losing in perspective.
- Grow in self-discipline.
- Develop mind, body and soul.
- Promote the participation of all student athletes.

ACADEMIC STANDARDS

Athletics are offered to children in Grades 3 – 8 who attend the School or who are members of St. Michael Church and regularly attend C.C.D. Children participating in athletics will be expected to exhibit the Christian values set forth in
the athletic mission statement. Further, it will be the policy that St. Michael students maintain the academic standards established for their grade level by their teachers. **Students who are absent from school due to illness, will not participate in any practices, scrimmages or scheduled games on these days. Students who are absent due to a funeral, or a non-contagious medical issue (i.e. diabetic, migraine, chemo treatment etc.) will be allowed to participate with proper documentation on file. Additionally, any student who is suspended from school will not be permitted to participate in practices and/or games, during the time of the suspension.**
July 1, 2019

Dear School Families,

Welcome to a new year as part of the St. Michael Faith Community. Our theme this year reminds us that God is always with us no matter what is going on in our lives. This theme speaks to the development of character required in order to form a well-rounded child. The is a goal in which our school ministry is engaged with you, our parents, the first and foremost educators. Character requires honesty and integrity as well as the courage to grow and change. “Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged. for the Lord your God will be with you wherever you go.” (Joshua 1:9)

Just as our faith community has a new leader, a pastor seeking to enhance the harmony, order and transparency in all we do, our school ministry is being challenged to build upon each child’s intellectual, social, and spiritual foundation. Every child can learn and you are our partners in this important enterprise.

We are looking forward to a year of growth, both academically and spiritually. St. Michael Faith Community takes pride in all of the ministries offered to its members. The school is one of these ministries. By joining St. Michael, you are pledging your family to actively join a community rich in Catholic tradition, strong in Catholic education, and committed to serving one another as living examples of Catholic faith.

The sense of community pervades all that we do here. The faculty and staff are here to assist you in this obligation as we all work together to develop the whole child. A spirit of cooperation and communication must exist if we are to succeed in this endeavor. Only by working together will our children find success. The mission of the School, with the policies in this handbook, are designed to clarify procedures and expectations that we all must uphold.

Following this letter is the Parents Code of Ethics. By living these standards, the partnership you have with the employees of St. Michael will greatly benefit your child’s educational journey.

As educators we understand we are called to serve your families, always putting your children and what is in their best interest first. We ask for your prayers and blessing as we serve St. Michael Faith Community while we build on the many blessings God has given us.

Rev. Steven Henriksen
Pastor

Mrs. Stacy Tackett
Principal
PARENT CODE OF ETHICS
As the primary educators of their children, parents/guardians understand that the examples they set have the greatest impact on their child’s growth and development. At St. Michael School the three R’s stand for reverence, respect, and responsibility. Leading children to the full understanding of these words mean that you will be their role models. Because of your commitment to Catholic education, you have an understanding that your children’s teachers are dedicated professionals who make tremendous sacrifices to teach in a Catholic school.

Therefore, parents/guardians of students enrolled in St. Michael School will:

- Model the behavior and attitude of Jesus Christ.
- Nurture your children’s spiritual formation through prayer and attendance at weekend Mass.
- Continue with your children, to grow spiritually through sacramental preparation programs, parish prayer, and other religious formation opportunities.
- Support the parish through stewardship and contributions of time and talent.
- Treat students, faculty, staff, administrators and other parents with sensitivity and respect.
- Support the teaching authority of the school, its faculty, and staff.
- Dispel rumors and do not participate in gossip.
- Respect confidentiality.
- Inform your child’s teacher first if there are problems or questions with academics and/or classroom procedures.
- Set a good example in speech and behavior and refuse to accept anything less from your child.
- Monitor your child’s electronic device, as well as television, movies, and magazines your child reads or views.
- Balance after school activities with school commitments.
- Assure that your child is prepared for the school day, physically and mentally.
- **Abide by the policies in the school handbook.**

SOCIAL MEDIA POSTS GUIDELINES
Social media can be a powerful tool for strengthening community, although social media interaction should not be viewed as a substitute for face-to-face gatherings. Social media can support communities in a myriad of ways: connecting people with similar interests, sharing information about in-person events, providing ways for people to dialogue, etc. A well-considered use of social media has the ultimate goal of encouraging “true friendship” and of understanding the human longing for meaningful community.

Any social networking site that is created with the intended audience of school members shall be managed in accordance with the campus social media policy.

All Users, as defined in the St. Michael Parish/School, who are St. Michael Parish/School employees or clergy working directly for the St. Michael Parish/School who utilize social media for or on behalf of the St. Michael Parish/School must abide by this Social Media Policy, the St. Michael Parish/School Acceptable Use and Responsibility Policy for Electronic Communications, the Archdiocese of Louisville Code of Pastoral Conduct, the Code of Canon Law and complementary legislation, applicable state and federal law, and the policies of the social media sites they use.

St. Michael Parish/School will engage in social media in a thoughtful way, focusing its efforts in specific, St. Michael Parish/School-approved virtual venues.

Certain St. Michael Parish/School employees and/or volunteers will be identified as site administrators for these St. Michael Parish/School-approved social media venues. This identification will be made by Communications Director.

To view the St. Michael Social Media Policy in its entirety, please visit [http://stmichaelchurch.org/resources](http://stmichaelchurch.org/resources).
Parents/students with grievances against an individual or group of school representatives/employees are encouraged to follow the grievance policy as indicated on page 23. Social media posts on school or personal pages that negatively impact St. Michael School or its stakeholders may jeopardize your child’s enrollment.

5. PRIORITY OF ACCEPTANCE:

The purpose of a Catholic education is to assure that Catholic truths and values are fully integrated with the student’s
life and academic program. The St. Michael Community includes both church and school which work together, not
separately, in carrying out the mission of St. Michael. Parents should enroll their children in St. Michael School if they
desire and intend to support and participate fully in the faith programs of the St. Michael community.

Priority of acceptance into St. Michael School is a privilege granted to children of active members of St. Michael
Parish.

STEWARDSHIP: STEWARDSHIP STATEMENT OF UNDERSTANDING (Added 12/11/18)

- The purpose of a Catholic Education is to assure that Catholic truths and values are fully integrated with the
student’s life and academic program. The St. Michael Community includes both church and school which
work together in carrying out the mission. Parents who desire to be an active part of the St. Michael
Community, supporting and participating fully in the faith programs, are welcomed and encouraged to enroll
their children in St. Michael School.
- Priority of acceptance into St. Michael School is a privilege granted first to children of active and supportive
members of St. Michael Parish. Active and supporting members attend mass regularly, complete a
stewardship form by the deadline, volunteer in at least one area of ministry, and commit to serving in a
positive and joyful manner to the best of their ability.
- While all are welcome at St. Michael School, we ask that each of you remember that your school tuition is
NOT included as part of your tithe. Those families who register for St. Michael School must have a current
stewardship form on file to receive “Active” member tuition rates as well as priority registration. Those
families who are not Catholic or who attend another Denominational Church will receive the “Tuition Only”
rate for their children.

Questions about whether a parishioner regularly attends Mass, volunteers in ministry or has made a commitment to a
Stewardship pledge shall be directed to Father Henriksen or the Parish Business Manager, Philip Green. Similarly,
you may contact Father Henriksen or Mr. Green when personal situations arise that may affect your ability to
consistently continue your support. We want to make sure these special situations do not cause additional issues with continuing school enrollment. We will work together to make the best of any difficult circumstances that may arise.

Families must be Catholic and active members of the parish to be eligible for the discounted rate. Discount applies to tuition only. Discounts will be applied to multiple children.

Priority for enrollment is based on the following:

1. Children who have attended St. Michael for a year, but are not ready to move on to the next instructional level or students in Junior Kindergarten moving to the traditional Kindergarten program will be given first priority.
2. Siblings of students who are presently enrolled or who have graduated, and whose families have been registered members of St. Michael for more than one year will be accepted, provided their families are active members of the parish.
3. Children who are currently enrolled (including pre-school)
4. Children of active members who have been registered at St. Michael and are enrolling for the first time
5. Children of families, including siblings of students presently enrolled, who have become registered members within the last twelve months and are active members
6. Children of non-parish, Catholic families, including siblings of students presently enrolled, may be admitted when openings exist, when the family is in a location where no Catholic school is available, or the children are transferring from another school. In this instance, admission will be considered if the application includes a detailed letter from the family’s Pastor outlining their stewardship activities and establishing that they are active members of their parish.
7. Children of non-Catholic families, with a sibling already in school and the family, is actively participating may be admitted when openings exist.
8. Children of non-Catholic families may be admitted when there are openings.

The Admission Policy will be reviewed each year.

In case of conflict, the date of formal parish registration along with supportive stewardship activities, and the baptismal date of the student, will determine the order of admissions.

New students to St. Michael are admitted on a probationary basis to be sure adjustment to St. Michael School proceeds successfully and in the student’s best interest. In most cases, the length of probation is the child’s first grading period. However, the principal may adjust the length of time to better serve the needs of the child and St. Michael School.

Parents/guardians are required to inform St. Michael administration of their child’s specific academic, emotional, or physical needs. St. Michael administration must also be informed of any testing for learning disabilities by Jefferson County Public Schools or any private agency. Copies of testing reports are needed to be considered for acceptance. St. Michael administration has the right to decide if the school program best meets the needs of the applicant.

Please refer to Pre-school Handbook for their admissions policy.
ATTENDANCE POLICIES

ARRIVAL/SCHOOL HOURS
School instructional time begins promptly at 7:45 a.m. Children must be in their homeroom no later than 7:45 a.m. or they are counted tardy. The school day ends at 2:45 p.m.

The doors to the school will unlock at 7:00 a.m. when all students will go to their assigned area. In the cafeteria or library, students will have the option to work on homework, eat breakfast, or visit with friends. Students will be dismissed to their classrooms from 7:35-7:40. All students will go to their homeroom and get ready for the instructional day to begin at 7:45 a.m. Students who arrive between 7:35-7:40 will go directly to their homeroom.

ABSENCES
The importance of being at school every day cannot be overstated. Absence should be kept to a minimum regardless of the age of the child. Parents of the students who are absent are asked to contact the office by phone or email (attendance@stmichaellouisville.org) before 8:30 a.m. to verify the absence of a student. Students must be present on campus to be counted as present except for the following: school-sponsored field trips or distance learning. High school shadow days are considered excused absences but students will still be marked absent for attendance purposes.

To be considered for a half-day you must arrive before 11:00. If leaving early you may be signed out by 11:15 to be counted as half-day.

Early dismissals for appointments should be kept to a minimum. However, we realize that this may not always be possible. Parents are urged to make appointments for their children to see doctors and dentists at times that will not interfere with their attendance at school. However, if this is not possible, A WRITTEN EXCUSE FROM THE DOCTOR’S OFFICE SHOULD BE SENT TO THE SCHOOL OFFICE ON THE NEXT DAY. IN ORDER TO AVOID CONGESTION IN THE CARPOOL PROCESS AND THE REGULAR DISMISSAL, THE LATEST TIME TO PICK UP FOR EARLY DISMISSAL IS 2:15 p.m. Please notify the office of a ride change no later than 1:30 p.m. Ride changes cannot be guaranteed to be communicated after this time.

School personnel are to be notified, VIA EMAIL, in the event of a planned absence. The note should include the reason and dates of the planned absence. Teachers will make every effort to send work or prepare for online learning prior to the students planned absence. If at all possible, please try to schedule family trips in conjunction with school holidays, but we understand that this is not always possible nor does every family get to choose their vacation time. We will do everything in our power to set your child up for success and provide the personalized learning experience he/she needs to be successful in or out of school. For students who are absent due to illness, work will be ready to be picked up at the office after 2:00 pm if requested by the parent.

TARDIES
Any student arriving to class after 7:45 is considered tardy. Tardies are considered unexcused unless student produces a doctor/dental note upon arrival, or otherwise stipulated by the principal. Consistent tardiness can be considered educational neglect. Please make every effort to arrive on time. Students who arrive late not only disrupt the learning of others, but this disrupts their learning as well.
EXCESSIVE TARDINESS

After a student accumulates five tardies, a letter will be sent home informing parents of our concerns. In addition, once 10 tardies are reached, the student may be placed on an attendance contract for the remainder of the year and may not be allowed to participate in field trips, extra-curricular activities, or other special events. The principal is the final recourse for determining whether any tardy shall be classified as excused or unexcused. Repeated tardiness implies a lack of responsibility and a lack of respect for teachers and fellow classmates.

Please note:

- A meeting with parent(s) will be scheduled with school leadership due to excessive tardiness.
- Consequences of excessive tardiness may include:
  - Detention at recess
  - Habitual truancy reported to Child Protective Services

Kentucky Law 159.150 defines truant as any child who has been tardy for three or more days without a valid excuse. Any student who has been reported as truant two or more times is considered a habitual truant.

DISMISSAL

Walkers will be dismissed from the top level doors and through the cafeteria doors. They will be escorted by a staff member to the Taylorsville Road intersection. Students are not allowed to deviate from the walker path unless prior approval is given from the school administration. After students cross this intersection the staff members will head back to school and they will no longer be supervised by school personnel. Walker tags will be issued to all approved walkers upon confirmation of address at the beginning of the school year. Walker tags must be returned at the end of the school year. Lost tags will result in a $5 charge to the family’s FACTS account.

Bus Riders will be dismissed from the atrium. The buses will be parked under the overhang and students will load the bus by exiting the front doors.

Carpool students leave the building as soon as the buses depart. Any student not picked up by 3:00/end of carpool will go to directly to ESC. Beginning on the first day of school, carpool will be lined up by grade level beginning with PreK 4’s in the first lane and grades JK-6 will be grade level organized. Lanes will be clearly marked and a map will be sent out prior to the beginning of school. All drivers and other car companions will stay in the vehicle at all times. This is for the safety of all of our students, staff, and other car companions. JK through 3rd grade will receive carpool hangers for two vehicles at Meet the Teacher/Back to School Fair. Any additional carpool ID’s will need to be purchased for $3.00 a piece. These must be hung in plain sight as the child is escorted to the vehicle. Older siblings will always go to the lane of their youngest sibling. Seventh or eighth graders who are a car rider and an only child (not riding with someone in a lower grade), will be able to be picked up in the far lot in front to the church.

Do NOT allow your child to hang out of a car window or sunroof. Please make sure children are buckled in and make sure you are NOT on your cell phone so that you can be aware of everything around you. This is for the safety of all. Pets are not allowed outside of vehicles during carpool.

TRANSPORTATION: PLEASE ARRIVE AND PICK UP YOUR CHILDREN ON TIME.

Please make every effort to call in any and all changes to the office or send information via written note or email attendance@stmichaellouisville.org.
RELEASING STUDENTS FROM SCHOOL

A student will not be released from school into the custody of any person other than the student’s parent/guardian and those persons listed on the approved pick-up list on Sycamore. If someone not listed on the approved pick-up list comes to sign out your child, the office must have your permission and this adult must show proof of identification. **PARENTS MUST SEND IN A NOTE or email the office, attendance@stmichaellouisville.org, IF THEIR CHILD WILL BE LEAVING BEFORE REGULAR DISMISSAL.** Remember, ride changes cannot be guaranteed to be communicated after 1:30.

AFTER SCHOOL ACTIVITIES

Students participating in after school activities must be supervised at all times by an adult. Students are not allowed in any assigned room (classroom or meeting room), facility (Griner, McCauley, or Community Center) or area (ball field or parking lot) without adult supervision. After school activities include but are not limited to: homework club, quick recall, scouts, and athletic practices. **Facilitators of extracurricular activities must submit their event to the school office to be included on the school calendar as well as to reserve a space on campus.**

CODE OF CONDUCT AND DISCIPLINE

Christian discipline is self-discipline. The student freely chooses one form of behavior over another. He\She must learn to accept the responsibility for that chosen behavior. In guiding the student’s growth in habits of virtue and in Christian attitudes, it is good to emphasize positive approaches.

Expectations/ Guidelines of Discipline

I. **Act Respectfully**
   ➢ Show a respectful attitude toward everyone in words and actions
   ➢ Quiet in common areas (halls, restrooms, cafeteria…)
   ➢ Keep hands, feet, and objects to yourself
   ➢ Be honest
   ➢ Maintain proper classroom behavior
   ➢ Participate in liturgy and daily prayer

II. **Show Responsibility**
   ➢ Be on time for school and class
   ➢ Follow the school dress code
   ➢ Have supplies for class
   ➢ Have all assignments completed
   ➢ Follow instructions
➢ Remain properly seated
➢ Listen and participate
➢ Keep school areas clean (halls, restroom, fields, play areas, etc.)

III. Experience Lifelong Rewards
➢ Self-esteem
➢ Work ethic
➢ Self-satisfaction
➢ Positive learning environment
➢ Quality education

ACADEMIC DISHONESTY
In alignment with our expectations of honesty, plagiarism/cheating, and academic dishonesty are serious offenses. Students who are academically dishonest will receive a zero on the assignment, and an automatic detention.

CONDUCT
St. Michael administration, faculty, and staff strive to teach and model Christian behavior at all times. We understand that children learn and grow from their mistakes and it is our mission to teach self-control, self-reliance, and responsibility for oneself and one’s actions that enables each individual to grow into a person of great integrity, who is a responsible, contributing member of society.

Each grade level will have individual discipline policies and procedures that have been approved by the administrative team. The individual policies will be reviewed and given to each family.

Students who may be sent from the classroom for disturbance of class should immediately report to the assistant principal or principal. Respectful behavior is expected of all students in all situations at all times.

Grades 3-8 may receive conduct referrals as a consequence for misbehavior. If a student receives three conduct referrals, he/she will be assigned detention. Gross misconduct may result in immediate detention.

Detentions will be assigned for violation of policies. Detentions for conduct/behavior will be served from 7:00 a.m. to 7:45 a.m. on Tuesdays and Thursdays. Detention supersedes all other activities. If a student is a “no show” for detention, that student will be assigned an additional detention and is expected to serve both detentions. Multiple missed detentions will result in an in-school or out of school suspension.

It is important that every student be in their complete uniform each day. Upon receiving three uniform violations within one quarter, a detention will be given. Three referrals for any reason, in a quarter, will result in detention. Violations do not have to be for the same infraction. Each quarter begins a new slate for students.

DESTRUCTION OF SCHOOL PROPERTY
Any student caught vandalizing school or church property will be responsible for the cleanup as appropriate or the monetary cost of cleanup and/or repair. Repeated serious incidents of vandalism could result in short-term or indefinite suspension from St. Michael School. Property also includes textbooks, CD’s, furniture and any other educational materials. Property will be examined at the beginning of the school year for current condition. At the end
of the school year, property is expected to be returned in the same condition with consideration for normal use. Parents/Guardians will be notified of any and all destruction.

**HARASSMENT/BULLYING POLICY**

St. Michael School does not tolerate any form of harassment or bullying, regardless of whether the “bully” considers it to be serious or in jest. All persons are to be treated with dignity and respect. Harassment/bullying is any repeated behavior that makes someone else feel uncomfortable or unsafe. In any form this is unacceptable. It does not matter what was intended. Students who are involved in harassment/bullying will be dealt with on an individual basis. The result of this type of behavior may be detention, probation, temporary suspension, or indefinite suspension.

Harassment/bullying at school can take many forms. The following are only examples. This list is not all-inclusive.

- **Sexual:** Unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment.
- **Verbal:** Includes derogatory comments, jokes, suggestive comments, insults, threats, sexual jokes, stories or rumors. - **Internet harassment/bullying:** Issues brought from outside into school will be dealt with according to school policy. Parents are expected to be the primary educators in avoiding such behavior. St. Michael’s curriculum will reinforce the necessity of appropriate interaction.

Procedure for dealing with harassment/bullying of and by students:

- A student believing that he/she is being harassed/bullied should express their displeasure to the offender, in a non-confrontational way.
- If the harassment/bullying continues, the student should immediately report the incident(s) to the appropriate school official (teacher, principal, assistant principal or school counselor).
- Upon receipt of the complaint, the teacher, principal, assistant principal and/or school counselor will initiate an investigation of the complaint, including a meeting with both the person alleged to have been the offender and the offended student.
- Based on the results of the investigation, the teacher, principal, assistant principal or counselor reports to parents of the students involved, an opinion and conclusion as to whether any offense occurred as well as other relevant information.
- The principal, in consultation with the assistant principal, counselor and teacher, decides, if any disciplinary action is warranted.

Depending on the incident, the principal or assistant principal may implement any of the following consequences:

- **Conduct Referral** – Depending on the offense, the principal may deem a detention as a more appropriate consequence and a parent meeting will be required
- **Detention and conference with the principal, assistant principal, teachers, parents, and counselor.**

**SEARCH**

**Reasonable Suspicion:** Sufficient probability to believe that the search will turn up evidence that the student has violated, or is violating school policy or rules.

**Grounds For Search:** The school administrator must have reasonable suspicion, based on the information made available prior to the search, that the student is in possession of evidence that indicates the student has violated, or is violating a criminal law, or a school policy or rule. The evidence believed to be possessed by the student should be that which may endanger life, safety, and/or property of another, or disrupt the ongoing educational process.

**Intent of Search:** The search of a student must be done for the purpose of the maintenance of discipline, or the detection and punishment of school misconduct. If a school administrator believes that a student possesses evidence that may be used in a criminal action prosecuted in a court of law, the student must be escorted to the school administrator. The administrator will contact the appropriate law enforcement officials to conduct such a search. At no time should the student be left alone or out of sight of the school administrator or another school official.

**If the school administrator determines that there is immediate danger to life and/or safety,** (i.e. the school administrator believes a student is in possession of a weapon, drugs, a dangerous instrument, or explosives/fireworks), and if the school administrator has reasonable suspicion that a particular student is in possession of the dangerous object, the student and his property may be searched by school administrators. If a dangerous object is found as the result of such a search, the administrator shall notify law enforcement immediately.

**Searches of Student Lockers and Desks:** Lockers and desks are property of the school. Students have no expectation of privacy in school lockers and desks, and the school reserves the right to search lockers and desks under the following procedures:

A. The search is based on reasonable suspicion that something in violation of the law, school policies, or the rules of the school may be significantly detrimental to the school and its students will be found in the locker or desk.

B. The primary purpose of the search is to determine if there is evidence of student misconduct for school disciplinary purposes.

**THREATENING BEHAVIOR**

Any behavior deemed threatening is inappropriate and may result in immediate suspension and/or dismissal from school. Threatening behavior is defined as intentional statements, gestures or actions intended to cause harm one’s self and/or to another and/or damage to property.

Behaviors deemed threatening are to be addressed in the following manner:
1. Student exhibiting threatening behavior is removed from the situation and placed under the direct supervision of appropriate school personnel.

2. Student’s parent/guardian is notified. Pastor and Superintendent of Schools are also apprised.

3. Student suspended from school pending the results of a mental health assessment conducted by an appropriately credentialed professional. The Principal may consult with the Family Counseling office for assistance in determining an adequate mental health assessment.

4. Suspended students may not attend school, ESC, any school activity, or be present on school grounds pending the results of the mental health assessment and a final placement decision.

5. Mental health assessment results and recommendations are shared with the principal and/or counselor who collaboratively make a final placement decision that may include conditions for reinstatement and follow up. In making the final placement decision, the principal considers the results of the mental health assessment, any history of problematic behavior, the circumstances surrounding the threatening behavior, the nature of the threat, the developmental stage of the student and other relevant information.

6. If a student engages in threatening behavior a second time, the student may be dismissed from school.

**WEAPONS**

In accordance with state law, no weapons are permitted on school grounds. If a student brings a weapon to school the following steps will be taken:

- Parent/guardian will be notified to come to school for a conference immediately.
- Student will be dismissed for the day and possibly suspended or expelled pending an investigation.
- Law Enforcement will be called.
- Superintendent and Pastor will be notified.
- Weapons include, but are not limited to, guns, knives, and any other objects that could be used in a threatening manner.

**COMMUNICATION**

**EMERGENCY NOTIFICATION SYSTEM**

St. Michael utilizes a text/email system for notifications. Messages may be received in the form of texts or email. All parents are highly encouraged to install the app and set up their numbers to receive messages.

**GRIEVANCES**

Authority as exercised in the Catholic School System depends in large measure upon a spirit of willing cooperation among administrators, staff and students. It is assumed that all parents involved in a complaint situation will be attempting to find the simplest, most effective way to resolve differences. Normally, disagreements or complaints should be discussed and resolved at the level closest to the disputed question.

2. Teacher  
3. Counselor  
4. Assistant Principal  
5. Principal

NON-CUSTODIAL PARENTS
According to the Buckley Amendment, non-custodial parents have the right to receive information regarding their children and to see their children’s records. This is prohibited ONLY if specified in the divorce/custody decrees.

In order to protect you and your children), divorced or separated parents are required to furnish the school with a copy of the custody section of the divorce decree. This should be notarized. This will enable the school to act in accordance with this decree.

The parent who registers the child in St. Michael is responsible for arranging payment of fees and tuition. This parent will be the recipient of all school information, including report cards. It is the responsibility of this parent to share this information with the non-custodial parent. The non-custodial parent may opt to have the school provide copies of this information to him/her.

PARENT-TEACHER-STUDENT LED CONFERENCES
Parent-teacher-student conferences are scheduled twice a year. In April, conferences are scheduled as needed. Teachers and/or parents may request conferences at other times. The Office of Lifelong Formation and Education mandates that students attend the formal conferences. Students not attending these conferences will be counted absent for the day. Any time a parent wishes to schedule a conference, a note or email must be sent to the teacher or a phone call can be made to the office and the request will be passed on to the teacher. It is the policy of the school not to give out employees’ phone numbers.

REPORTING TO PARENTS
Academic grades for grades 3-8 are posted online. All students’ progress will be reported at conference time and at the end of each quarter. Student grades on Sycamore should be updated weekly at a minimum. Teachers will also send home regular class work, quizzes, and assessments during the school year. Parents and students have access to Sycamore and are encouraged to check grades often. If you have a concern or question about your child’s progress, please don’t hesitate to contact your child’s teacher. Progress reports will be sent home in academic classes for grades 3-8 at a minimum of twice per month on Tuesdays.

St. Michael Faculty and Staff welcome any questions you may have regarding your child’s school life. You may email, send a note to the teacher, or leave a message with the office. The teacher will get back to you within 24 hours. If there is an emergency, the teacher will be notified immediately. You are asked not to go to your child’s classroom before the start of school or after the school day ends unless you have an appointment. Interruptions during the school day are not permitted.

SYCAMORE EDUCATION
You will find most information on the school Sycamore Education website. (http://app.sycamoreeducation.com/index.php?schoolid=2472). Every family is given login information to access their account. Multi-parent families will be assigned separate Sycamore accounts upon request. Please ensure we have your family’s updated contact information. We encourage parents to log in regularly to check their child’s progress.
CURRICULUM & INSTRUCTION

CURRICULUM
Curriculum is broadly defined as the totality of student experiences that occur in the educational process. The term often refers specifically to a planned sequence of instruction, or to a view of the student’s experiences in terms of the educator’s or schools instructional goals.

The curriculum in the Catholic Schools, guided by the light of divine revelation and Church teaching, assists each student in the discovery and development of his/her own full human potential as a Catholic Christian. In this environment, interpersonal relations, formal and informal instructions, and educational technology should combine to enable the student to manifest attitudes, knowledge, skills and behavior in the service of the Lord, the Church and his/her brothers and sisters in today’s world.

The curriculum for St. Michael School follows the curriculum framework developed by the Archdiocese of Louisville and is designed according to directions and programs set up by the Office of Lifelong Formation and Education for the Archdiocese of Louisville. This includes the selection of textbooks, which are approved by the state of Kentucky, attention to the individual needs of students, and the development of a balanced program of studies including fine arts. You can locate the curriculum at www.archlou.org and if you have any questions, feel free to make an appointment with an administrator.

CLASSROOM EXPECTATIONS
Teachers will notify parents, in writing/in newsletters, and at the beginning of the year orientation, of the expectations for the year regarding curriculum and conduct in the classroom. Teachers will discuss these expectations with the students on the first day and review them throughout the first week of school. Reminders and reinforcement will continue throughout the year. If you have a concern, don’t hesitate to contact the teacher. Teachers will respond to your call or email as soon as they can within 24 hours.

COUNSELOR
The school counselor collaborates with the school, family and parish community in the development of the whole child – academically, socially, and spiritually. By supporting children and their families in these areas, the counselor promotes the Catholic vision of the family as a domestic church. The school counselor works with parents, educators, other professionals and community members to provide comprehensive developmental programs in a learning environment so that all students will develop social competence. This can include developing self-esteem, decision-making skills, collaborative problem-solving skills and responsible citizenship. Any student enrolled in St. Michael can visit or be observed once by the School Counselor without prior parent notification.

DIRECTOR OF STUDENT ACHIEVEMENT
The role of this position is to be an advocate for our students. In this role, the director will, in collaboration with teachers, students, and parents, design appropriate programs/instruction that will enable all students to have an opportunity to be successful in a regular classroom. Any student enrolled in St. Michael can visit or be observed once by the Director of Student Achievement without prior parent notification. Three DSAs are available for consultation: Mrs. Valerie Barr (JK- 3rd grade), Mrs. Lora Gliessner (4th and 5th grade), and Mrs. Anna Maria Goss (6th- 8th grade).

FIELD TRIPS
Field trips are scheduled and designed to supplement the curriculum. These trips provide opportunities for students to be introduced to a variety of aspects in Louisville and the surrounding areas. Therefore, all students are expected to participate. Bus fees will be based on the total number of students per class attending and will not be refunded.
Parents/guardians will receive notices of field trips well in advance of the scheduled date. Parents/guardians will be asked to complete a field trip permission slip digitally through the FACTS management system. Any student who does not have a signed permission slip on the day of the trip will not be permitted to go on the field trip. Field trips are privileges for students. Therefore, they can be denied participation if they do not meet behavioral and attendance standards (see pg. 19- Tardies). Parents will be notified if this is the case.

Refunds will NOT be issued for the bus if a student is absent on the day of the field trip. Refunds from the venues vary and will be handled accordingly.

Because of the responsibility and liability of chaperones on field trips, chaperones are not permitted to bring siblings. The number of chaperones assigned to a field trip is often determined by the directors of the event (Stage One, Museums, etc.). Chaperones will be assigned to field trips based on the sign ups. In the event someone cannot attend the trip, a replacement will be selected from the alternative list of chaperones.

All adults who wish to volunteer to chaperone a class activity/ trip must attend a Safe Environment Training and have a background check completed prior to the activity. Safe Environment Training classes are offered through the Archdiocese (www.archlou.org) and background checks are completed by the Parish Business Office.

**GRADING SCALE**

Grades JK-2 utilizes standards-based grading. Progress is posted on each quarter report card. The following scale is used to record student performance. This scale does not correspond with numerical grades.

- E- Exceeds expectations
- P-Progressing at grade level
- H- Progressing with help
- N- Needs additional practice and support
- X- Skills or concepts have not yet been assessed

Grades 3-8 utilize the Archdiocese of Louisville traditional grading scale to communicate student progress in all subject areas. Numerical averages are rounded up from the tenth. The grading scale is as follows:

- 93-100 A
- 84-92 B
- 75-83 C
- 70-74 D
- 69 and below U

Report cards are posted electronically at the end of each quarter.

**GRADING POLICY/LATE WORK/HOMEWORK**

Teachers of grades 3-8 are required to send progress reports every two weeks at a minimum for all students on Tuesdays. Teachers of Grades 3 – 8 are required to update grades on Sycamore Education at least once a week (Mondays). Students are expected to have a minimum of two grades per week in their academic classes (grades 3-8). All projects and writing pieces shall have a scoring rubric attached.

Special area teachers must have a participation grade weekly for all classes and a minimum of three grades per quarter. One grade per quarter must be a writing piece in all special area classes.
Grading policies are as follows:

**Grades 3-5**

- Homework 10%
- Classwork/Formative Assessments 40%
- Summative Assessments 50%

**Grades 6-8**

- Homework 25%
- Classwork/Form. Assessments 25%

*Grades 2-8 have a schoolwide homework policy. Students are expected to turn in their work on the specified due date. After that date, assignments may be turned in one day late for 50% credit (after grading) and then students will receive a zero for assignments turned in after that.*

**HOMEWORK**

The homework policy follows guidelines as suggested by the Archdiocese. These are approximate. Actual times may fluctuate depending on the child, their learning style, and time management while in school.

- Grades 1-2: 30-40 minutes
- Grades 3-4: 40-50 minutes
- Grades 5-6: 60-75 minutes
- Grades 7-8: 75-90 minutes

If you have a question regarding the amount of time your child is spending on homework, please contact the teacher of that content area.

**HONOR ROLL**

(Grades 3 – 8) Principal’s List: Straight A’s in all classes, including special areas; Honor Roll – All A’s and B’s in all subjects, including all special area classes.

**PROMOTION/RETENTION**

Occasions may arise when a teacher must determine the best course of instruction for a student who may be experiencing academic difficulties. It may be recommended that the child be professionally assessed and/or repeat a grade. Before having your child assessed by an outside agency, it is recommended that you consult with the teacher, counselor and/or resource teacher. Students may be required to show proof of summer assistance with a professional agency or certified teacher before being promoted to the next grade level. **Final decision for promotion/retention is at the discretion of teachers and administration.**

**RECORDS REQUESTS**

Initial requests for records will be honored without any charge. However, all financial accounts must be current (café, tuition, fees, etc.) before records will be released. A charge of $5.00 will be incurred after the first request.
**TIERED PROGRAMS**

St. Michael School utilizes a multi-level academic program. To individualize personalized learning, teachers and administrators structure the school day schedule to facilitate differentiation. The following criteria is used to place students in the appropriate classroom/level: Percentile score on the most recent standardized test data, classroom performance, report card grades, and student work ethic that is conducive to a successful classroom experience. This type of differentiation provides greater opportunity to meet the specific learning needs of children.

**EMERGENCY PLAN**

Please note that emergency plans are not made public for safety reasons.

St. Michael School remains committed to both the educational and personal development of its students. To fulfill this commitment we must provide a school environment that is safe for both students and staff.

While the vast majority of schools are safe places, we recognize (that) the possibility exists of a disaster/crisis resulting from fire, other natural causes, or acts of violence. In the event of such a crisis, St. Michael School, following the guidelines of the Archdiocese of Louisville, has developed an Emergency Management Plan. While no plan can anticipate all situations, it will better position us to respond to unforeseen/threatening events with the greatest possible speed and safety.

The Emergency Management Plan is a resource for school administration to ensure the least disruption to the educational process or effect on the school climate. The success of this plan is contingent upon the comprehensive and ongoing training and instruction of all school personnel. The administration and staff awareness of potential dangers and sound judgment ultimately remain an integral part of safety management.

In the event that evacuation of St. Michael is necessary, parents will be called, via the Emergency Notification System, and notified as to where they can pick up their children. In extreme cases, information will also be broadcast over local television and radio stations. With only one entrance into St. Michael it is important that parents/families DO NOT DRIVE TO THE SCHOOL. We want the driveway to the school to stay open for emergency vehicles.

In the event of an emergency, written notification will be sent to school families informing them of the situation that occurred and the procedures that were followed using the Emergency Notification System once we have Archdiocesan approval to communicate the facts.

**EMERGENCY DRILLS**

Fire Drills – Fire drills are conducted once a month

Tornado Drills – Tornado drills are conducted twice per year.

Earthquake Drills – Earthquake drills are conducted twice per year.

Lockdown Drills – Lockdowns are conducted four times per year.

FINANCIAL INFORMATION

TUITION POLICY
Parents have the option of paying tuition in full on July 1 or making monthly payments, August-May, through FACTS Tuition Management. FACTS is an automatic withdrawal system, and is mandatory for all families.

If a valid hardship condition develops, please contact the Parish Business Manager or Principal, so that special arrangements can be made regarding your account.

At the end of the school year, school records will not be released until all accounts are current.

REFUND POLICY
Pre-registration fees are non-refundable unless St. Michael is unable to offer your child a place in the school.

In the event that a family decides not to send their children to St. Michael, the refund policy will be as follows:

- If withdrawal is prior to the beginning of the school year, the family may still be responsible for the August tuition payments.
- If a family has paid tuition in full for the upcoming year, they will receive a prorated refund.
- Once the school year has begun, the family is responsible for the full month’s tuition payment for any portion of a month attended.
TUITION ASSISTANCE
When you choose to enroll your child in the school for a Catholic education, you enter into a contract and obligation to pay the full amount of the established tuition. Your prompt tuition payments through FACTS Tuition Management system are needed to meet our monthly obligations to our teachers and staff.

We also understand that sometimes a situation may arise which may make it difficult for a family to make their tuition payment on time. Such situations may vary – loss of a job, a serious illness, or a natural disaster. St. Michael (as well as the Archdiocese) has always had a policy of providing tuition assistance when a legitimate and valid hardship condition arises.

However, we must be informed if a hardship condition develops. If you are unable to make your tuition payment on time, please immediately inform us of the condition so that we can determine if assistance may be available. Please do not simply ignore your contractual obligation.

An Archdiocesan Tuition Assistance program is offered to families of St. Michael students (JK-8) who complete a Tuition Assistance Application, available online through FACTS. Applications are available in December, and all documentation must be submitted by February.

WITHDRAWAL OF STUDENT
At least two weeks before the withdrawal of a student from St. Michael School, the date of the student’s last day of attendance will be provided, along with the name of the student’s new school and address. If the student is moving, a complete new home address and telephone number shall be provided. All fees and tuition must be current and all library books and textbooks shall be returned. Any and all other obligations must be fulfilled before school records will be forwarded to the new school.

HEALTH AND SAFETY
ALLERGIC REACTIONS
The school office is required to have a list of any materials a student is allergic to on file. Allergic is anything that has been diagnosed by a licensed physician/allergist. In the event a student suffers from an allergic reaction, the following steps will be taken:

- Parents will be notified immediately.
- Appropriate first-aid will be administered.
- EMS will be called if warranted.

It is mandatory that all teachers have a list of potential health problems of students and that this list be updated as needed. Parents are responsible for having an allergy action plan on file in the office as well as updated in Sycamore.

Students who are required, for medical/health reasons, to have either an Epi-pen or inhaler with them, will have these in a specified bag in a specific location in the classroom. This bag will be taken with the student from the classroom anytime the child changes locations (church, cafeteria, playground, ball field, field trips, etc.) A completed and signed medical release form with medication in its original container should be sent in to the office initially.

COMMUNICABLE DISEASES
St. Michael School follows the policy of the Office of Lifelong Formation & Education as established by the State and Local Health Departments in dealing with children identified as infected with HIV (Human Immunodeficiency Virus).
**DRUG POLICY**

The drug policy refers to any mind-altering drug or substance. The purchase, possession, use, sale or distribution of such drugs is illegal by federal and state statutes. If any student brings to school, or has in his/her possession on the school grounds, during or after school hours, any illegal substance, alcohol, tobacco, drug-paraphernalia, or look-alike, the following steps will be taken (this includes selling, use, and purchase):

- The person having such information shall notify the principal or the counselor.
- The student’s parent/guardian will be notified and a conference will be held.
- The Pastor will be notified.
- Depending upon the results of the investigation a student may face temporary or permanent suspension.
- The Archdiocese will be notified.
- A medical/psychological evaluation may also be required.

**FIRST AID**

When a child is injured, he/she will be sent to the office. Care will be given and, if the situation warrants, the parent(s)/guardian(s) will be contacted to discuss appropriate action. When the parent(s)/guardian(s) cannot be reached, the emergency numbers in Sycamore contacts will be contacted. In the event of a serious emergency, EMS will be contacted at once so that immediate medical care can be given.

**GENERAL HEALTH**

If a child is deemed too ill to remain in school, the parent will be notified by telephone. Parents are requested to advise the school of any special physical or emotional condition of the student so the proper assistance may be given to him/her as needed. ***PLEASE DO NOT SEND ANY CHILD TO SCHOOL WHO IS ILL IN THE MORNING. CHILDREN ARE TO BE FEVER-FREE FOR 24 HOURS AND SYMPTOM FREE BEFORE THEY RETURN.*** See **MEDICATIONS AND PRESCRIPTIONS** for guidelines/rules.

**HEAD LICE**

Students will not be permitted to attend school if head lice are present in its contagious stage. Early signs of head lice can include itching of the head, matted, foul-smelling hair, swollen lymph nodes and/or rash on the torso. Students may be checked for head lice at various times throughout the year.

**HEALTH SERVICES/PROMOTING GOOD HEALTH**

The school will strive to provide and maintain a physical environment that is conducive to the good health and safety of students. St. Michael School has a health program that offers screening services to our children for vision and hearing. You are encouraged to take advantage of our health services. However, you may prefer that your child not participate in any or all of these programs at school. If such is the case, you are required to present a doctor’s statement for your child’s health file at school.

**MEDICATIONS AND PRESCRIPTIONS**

These will be accepted on an individual basis and administered only as prescribed on the physician’s authorization. The original prescription or refill must be provided by the parent and include the student’s name, date, medication, dosage, strength and directions for use which includes frequency, duration and route of administration, prescribing physician and pharmacy name and address. **All medications should be sent to school in the original container, with the prescription label attached, including the physician’s directions for dispensing the medication.**

Non-prescription (over the counter) medications will be accepted on an individual basis when provided by the parent or legal guardian and the appropriate documentation is on file in the office. Physician or health care provider
approval is required for use of non-prescription medication. The medication is to be sent in the original container. Examples of such include cough drops, Tylenol/aspirin, lotions, creams, etc.

KRS 218A.210 STATES “A PERSON TO WHOM OR FOR WHOSE USE ANY CONTROLLED SUBSTANCE HAS BEEN PRESENTED, SOLD, OR DISPENSED BY A PRACTITIONER OR OTHER PERSONS AUTHORIZED UNDER THIS CHAPTER, MAY LAWFULLY POSSESS IT ONLY IN THE CONTAINER IN WHICH IT WAS DELIVERED TO HIM BY THE PERSON SELLING OR DISPENSING THE SAME.”

MEDICAL REQUIREMENTS

TECHNOLOGY
INSTRUCTIONAL TECHNOLOGY
Technology is encouraged as a tool for learning. St. Michael School supports reasonable access to various information formats for students, employees, and the community, and believes it is incumbent upon users to utilize this privilege in an appropriate and responsible manner as required by this policy and related procedures, which apply to all parties who use school technology.

Students may not use technology devices for communication purposes during school hours including voice calls, or transmitting or receiving messages including text messages and picture messages. Parents shall not send messages to students’ devices with the expectation that the student will receive the message during school hours. Personally owned devices are NOT permitted at school. Students are not permitted to use personal devices while on school grounds, including at ESC, Homework Club, or in the cafeteria. Students who are 1:1 (5th-8th grade) will get a four strike rule- the fourth incident (up to and including forgetting device, uncharged devices, and/or inappropriate use) will be a detention. Each subsequent incident after four is an additional detention. Inappropriate usage is evaluated on case-by-case.

Please refer to the Acceptable Use Policy of St. Michael School.

Teachers and students in grades K-8 will utilize Google Suite for Education for creation, cloud-based storage, collaborative sharing, and Google Drive management. Students are expected to use their school issued Google accounts as an educational tool to enhance their learning. St. Michael student accounts may not be used to leave comments on public pages.

INTERNET SAFETY PROCEDURES AND GUIDELINES
Student education is the most effective way to ensure safe use of the Internet and other electronic resources. Accordingly, all students will successfully complete an age-appropriate digital citizenship program each year. The digital citizenship program must include Internet safety.
Students shall be provided instruction about appropriate online behavior, including interacting with other individuals on social networking sites and in chat rooms and cyberbullying awareness and response.

Additional Internet safety measures, which shall apply to all school-owned devices with Internet access will effectively address the following:

- Controlling access by minors to inappropriate matter on the Internet and World Wide Web;
- Safety and security of minors when they are using electronic mail, chat rooms, and other forms of direct electronic communications;
- Preventing unauthorized access, including "hacking" and other unlawful activities by minors online;
- Unauthorized disclosure, use and dissemination of personal information regarding minors; and
- Restricting minors’ access to materials harmful to them.

**PERMISSION/AGREEMENT FORM**

Written parental consent shall be required prior to the student being granted independent access to electronic media involving school technological resources.

The required Acceptable Use Policy (AUP), which shall specify acceptable uses, rules of online behavior, access privileges, and penalties for policy/procedural violations, must be signed by the parent or legal guardian of minor students (those under 18 years of age) and also by the student. This document shall be kept on file as a legal, binding document. In order to modify or rescind the agreement, the student’s parent/guardian (or the student who is at least 18 years old) must provide the Principal or designee with a written request.

**PENALTIES**

Violations of this policy or refusal to sign a required acceptable use document may result in loss of access to school on-line communications. Additional penalties may be imposed against students according to the school’s acceptable use policies and school rules. Teachers and other staff who supervise students shall report violations to the Principal or Assistant Principal. If a student violates the school technology policies, he/she will be disciplined according to the student code of conduct.

The penalties for inappropriate use of technology shall be:

- First Offense: Conduct referral and meeting with an administrator.
- Second Offense: Detention, confiscation of the device, and a meeting with an administrator.
- Third Offense: Two detentions, confiscation of device OR possible lockdown of device privileges.

The school reserves the right to monitor and actively control content which uses school resources, including but not limited to: School-owned devices, school networks, and school-owned peripheral devices. Any use of school-owned equipment which violates the AUP may result in disciplinary action.

**RESPONSIBILITY FOR DAMAGES**

Students who deface a School website or otherwise make unauthorized changes to a web site or other online technology resources or systems used by the school shall be subject to disciplinary action, up to and including expulsion, as appropriate.
**UNIFORM POLICY 2019-2020**

The administration will make the final decision as to the appropriateness of student attire/appearance. Shaheen’s carries all uniform items. Parents shall label student uniform items. Coats, jackets, and other non-uniform outerwear or sweatshirts may not be worn in the school building. Parents are expected to monitor the dress of their students prior to leaving for school. UNIFORM GUIDELINES

Students’ appearances create a first impression to those in our community and they shall conform to a standard of dress and decorum that demonstrates the seriousness with which they and their parents value Catholic identity and education.

In support of modesty and student appearance, students shall not seek to draw inappropriate attention to one’s self nor contribute to distraction within the learning environment. The school expects that parents/guardians take an active role in the compliance of the uniform policy.

Uniform infractions may be given out by teachers and administration. Three uniform infractions will result in a detention. Parents may be called to bring in appropriate clothing. Students that are out of dress code may be asked to wait in the office until appropriate clothing is brought to the school or those students may be given items from the lost & found to wear for the day.

Items that remain unclaimed at the end of each quarter may be taken to Goodwill.

Important notes regarding our uniform policy above:

- Gray dress pants/shorts are acceptable for both boys and girls. No cargo pants with large pockets, denim, corduroy, or tight fitting pants are permitted. Pants & shorts shall be worn waist high with no sagging. Hems or waists shall not be rolled. All pants and shorts must be in general good condition, with no excessive fading or holes. **Pants must be worn from December 1- March 1 for students in JK-3; shorts are not permitted during this time period for students in grades JK-3.**

- It is recommended that all students wear pants (or leggings under skirts) if the temperature is below 40 degrees. Students are outside for recess, even in colder temperatures. Please make sure your student(s) have weather-appropriate clothing so they may play comfortably.

- Belts are required when wearing shorts and pants for all students in grades 1-8.

- Shorts (gym shorts, play shorts, or St. Michael PE shorts) must be worn under uniform skirts and jumpers but shall not be visible below the hem.

- Jumpers and shirts must be no shorter than three inches above the knee in both the front and back.

- Burgundy or white polos, available for purchase at Shaheen’s, must have the school logo (tree with people) embroidered. No monograms or appliques are acceptable. Shirts must be tucked in at all times. If undershirts are worn under a school uniform shirt (polo or girls’ blouses), the undershirt must be solid white. No colors or logos may show under the uniform shirts.

- In cooler weather, girls are permitted to wear solid gray, burgundy, or black leggings under skirts and jumpers (JK-3 must wear leggings under skirts & jumpers from 12/1-3/1). Leggings must be solid color and cover the entire leg; capri-length leggings are not permitted. Sweatpants are not allowed. Leggings of any kind, including sport compression leggings, are not permitted for boys.

- The official St. Michael sweatshirt is the gray, quarter-zip sweatshirt with the school logo (tree with people). Families may also purchase the burgundy, dri-fit quarter zip with the school logo from Shaheen’s. No other outerwear is permitted once inside the building. 8th grade sweatshirts with the current year are allowed for 8th graders only. Sports sweatshirts and other spirit wear are not part of the school uniform and therefore, may not be worn inside the building unless it is a designated Spirit Day. Non-uniform items must be removed during class, Mass, and inside the building. **Hooded items are not to be worn.**

- All socks must be visible above the shoe. Footies and no-show socks are not permitted.

- For safety reasons, only tennis shoes and Dock-sider/Sperry type shoes are permitted. PE days require tennis shoes to be worn. Shoes may not have flashing lights or make music. Shoestrings must be matching, with no adornments, and tied at all times. These rules apply for Preschool-8th grade.
● All hair must be clean and out of the eyes and face. Extreme fad styles, cuts, or colors are not permitted. Hair dyes on tips or streaks/patches are not allowed. Administrators may require that a student’s hair be trimmed or cut if determined to be a distraction. No hats of any kind may be worn indoors.

● PE Uniforms may be worn on the student’s assigned PE day. The PE uniform is a maroon dri-fit t shirt with a St. Michael M logo and black PE shorts or black PE sweatpants with the identical St. Michael M logo.

● The last Friday of each month is a designated Spirit Wear day unless otherwise announced. Students are permitted to wear St. Michael spirit wear with the Knights logo on these days. Students may also wear their sports shirts and jerseys on these days, but hooded items are not permitted.

Permitted uniform items are pictured below.
FREE DRESS/NON-UNIFORM DAYS
When students are given a free dress day, they are expected to dress in a manner appropriate for a Catholic school. Written messages and graphics shall be appropriate for children and fall within the principles of Catholic education; no clothing with alcohol or drug paraphernalia sayings or designs are permitted. No connections to drugs, alcohol, or any inappropriate language (suggested or explicitly written) are allowed on any clothing item. Halter tops, tank tops, short shorts or skirts, and spaghetti-strapped tops are not allowed. School shorts, PE shorts or similar, or longer, Bermuda-type shorts are acceptable. Tight fitting pants and yoga pants/leggings are not permitted to be worn as pants unless the shirt worn is a tunic-type or longer shirt that completely covers the student’s backside. No hooded items are permitted on free dress days. We do ask that any free dress passes not be used on a Mass day to ensure all students’ best appearance for the celebration of the Eucharist.

Modesty is not an outdated virtue. Parents are expected to cooperate in helping students choose appropriate attire. Out of uniform does not mean that sandals, heels, or other shoes are worn to school. It is highly recommended that students wear tennis shoes, even on free dress days. The administration will be the final say in what is deemed appropriate.

Anything that is not specifically mentioned above is not permitted. For questions regarding the uniform policy, please email UniformCommittee@stmichaellouisville.org.

USE OF FACILITIES
We are fortunate to have numerous after school activities and clubs for students. This allows us to share Griner Center, the Science Lab, and various classrooms as meeting locations.

It is the responsibility of the organizer (of the activity/club/group) to contact the school office to sign up to use the St. Michael facilities. Furthermore, it is the organizer’s responsibility to guarantee that:

- Participants stay in the appropriately reserved area
- After the meeting/activity all furniture is to be returned to its original location
- All trash is to be taken outside to the dumpster and appropriately put into dumpster (not beside dumpster)
- Restrooms are clean and in good condition (paper towels in receptacles and no toilet paper on floors, etc.)

Failure to follow these rules may result in loss of privilege to use the facilities.

Use of the St. Michael Community Center is coordinated through a Facilities Manager at 266-5611.

VISITORS
All non-school employees must sign in and be issued a visitor’s badge at the school office before going to any room. This is mandated by the Kentucky Center for School Safety. Parents and other visitors are not to interrupt daily activities before, during, or at the end of the school day. Any important messages or items will be delivered to the student through the school office. Anyone needing to speak with a teacher must check with the school office.

All volunteers are welcome! Volunteers must enter through the main school entrance and sign in at the office, as described in the visitor section of this handbook. Anyone who would like to volunteer their time and/or talent for the benefit of St. Michael students is encouraged to do so. It is the teacher’s discretion as to the appropriateness of volunteers in the classroom during class time.
All volunteers are required to have completed a background check and Safe Environment Training. These requirements help ensure that all school volunteers have been properly screened prior to working with our children.

A volunteer operates in a position of trust. Personal information pertaining to students must be kept confidential. Children’s actions, responses, progress, or problems at school are not for sharing in the community. Conversations between parents, teachers, and students in the school are confidential. Volunteers should not discuss these conversations outside of school. Refer any concerns to the Administration.

Volunteers are expected to adhere to school rules and procedures, perform assigned tasks to the best of their ability, work cooperatively with all staff, and seek clarification when necessary. Children’s restrooms are not to be used by volunteers. There are adult restrooms located in the building.

Volunteers should be proactive when supervising the children. Problems should be referred to the teacher(s) on duty or the office should be notified as soon as possible.

**WEATHER POLICIES**

**CLOSING/DELAYED OPENINGS**

St. Michael does not make decisions regarding school closings, delayed openings or early dismissals due to inclement weather. These decisions are made by the Superintendent of Catholic Schools after consultation with the weather service, school transportation officials and other administrators.

When weather conditions cause school openings to be questionable, announcements will be made for Jefferson County Catholic Elementary Schools. Please listen to your local TV or radio stations. We will also send a message through REMIND.

If a delayed schedule is announced, doors will open at 9:00 a.m. Tardy bell will ring at 9:45 a.m. Morning pre-school will be cancelled.

**EARLY DISMISSAL**

No Public Announcements will be made about early dismissal in Jefferson County Catholic Elementary Schools except in the case of an extreme emergency (i.e., chemical leaks/spills, etc.) If St. Michael must dismiss early, parents will be notified through REMIND and via email.

**PLEASE KEEP ALL EMAIL ADDRESSES, HOME, WORK AND EMERGENCY NUMBERS UPDATED IN SYCAMORE.**
Appendix A: Acceptable Use Policy

St. Michael School

Technology Acceptable Use Policy

St. Michael School recognizes that access to technology in school gives students greater opportunities to learn, engage, communicate, and develop skills that will prepare them for work, life, and citizenship. We are committed to helping students develop 21st-century technology and communication skills. To that end, we provide access to technologies for students and staff-use for educational purposes. This Acceptable Use Policy (AUP) outlines the provisions and expectations of that use by students, teachers, and parents.

- Internet safety and digital citizenship instruction for students will take place each year.
- Teachers and staff will actively monitor permitted student technology use within the classroom.

While the school will make every effort to prevent inappropriate use, it is impossible to block all inappropriate content. Likewise, any wifi connection not maintained by the school is not monitored and is the responsibility of the parent/guardian.

**Roles and Responsibilities of Students**

Technology and network access is intended solely to support educational goals and instruction. Students are expected to use resources responsibly and will be held accountable for their behavior and communications. All communications, data and files stored or transmitted via the school network are considered property of St. Michael School and may be reviewed and/or removed.

• Access, send and/or willfully receive any content that is inappropriate, offensive, harassing, or profane in nature or that which promotes violence or illegal activity.

• Willfully waste limited resources or use them for non-academic purposes – (file storage, printing, bandwidth)

• Use or share another person’s username or password, or share your username and password with others.

• Compromise the network and its settings in any way – (hacking, spamming, proxy bypass, etc.)

• Use the school network for personal gain, entertainment, political promotion or activities unrelated to school.

• Violate copyright laws or commit plagiarism, including the copying of software, music or other copyright protected files.

• Intentionally damage or steal school or personal technology-related property.

• Engage in cyberbullying, harassment, or disrespectful conduct toward others.

**Violations of the Acceptable Use Policy**

St. Michael School reserves the right to search any student device with probable cause. Students who violate the AUP are subject to the same disciplinary actions as prescribed by the Student Code of Conduct for similar offline behaviors and are at the discretion of the school administration.

**Personal Electronic Devices**

Students must have permission from both the administration and a parent to bring a cell phone to school. Cell phones must be powered off at all times while on school property (this includes the bus). Failure to abide by this policy will result in the device being seized and retained. **Students may not use technology devices for communication purposes during school hours including voice calls, or transmitting or receiving messages including text messages and picture messages. Parents shall not send messages to students’ personal devices with the expectation that the student will receive the message during school hours. All messages for students need to go through the school office. Personally owned devices are NOT permitted at school. Students are not permitted to use personal devices while on school grounds, including at ESC, Homework Club, or in the cafeteria.**

Students may not use technology devices for communication purposes during school hours including voice calls, transmitting or receiving messages (including text messages, picture messages).

Although the use of devices on the school network is monitored, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

**Social, Web 2.0 and Collaborative Content**

The school recognizes that Internet-based resources that can enhance educational activities are growing in number each day. The school may provide access to web sites or tools that support communication and collaboration with others in addition to general productivity. Students are reminded to communicate appropriately and safely via these
resources and that communication may be monitored. Use of any websites outside of St. Michael control is subject to their terms of use and may require specific permission in addition to the AUP.

**Consent for Use**

*By signing the handbook form through St. Michael’s Sycamore Education registration process, you hereby accept and agree that your child’s rights to use the electronic resources provided by St. Michael School are subject to the terms and conditions set forth in school policy/procedure.* Please also be advised that data stored in relation to such services is managed by the school. Data stored in non-school systems and websites, where applicable, may be managed pursuant to the agreement between St. Michael School and designated service providers or between the end user and the service provider. Before your child can use online services, he/she must accept the service agreement and, in certain cases, obtain your consent.
Appendix B: Google Suite for Education Parent/Student Agreement

Saint Michael Catholic School

Google Suite for Education Parent/Student Agreement

By signing the handbook form through St. Michael’s Sycamore Education registration process, you hereby accept and agree that your child’s rights to use the electronic resources provided by St. Michael School are subject to the terms and conditions set forth in school policy/procedure.

This year grades JK-8 at Saint Michael School (SMS) will be using Google Suite for Education in the classroom. Google Suite for Education is a suite of free, web-based programs that includes email, document creation, and collaboration tools.

St. Michael Student (user) Accounts and Application Terms

1. A Google Account account may be created for each student by the St. Michael IT staff. These accounts are for student use and should be the only Google account used at St. Michael. By agreeing to these policies, you also accept the terms of use associated with Google Account usage.

2. St. Michael staff may create accounts using different programs and applications for student’s educational use. Many third party apps and sites will directly tie into students’ Google accounts. It is the student’s responsibility to safeguard all account passwords. Students are to only access accounts issued to them.

Google Suite for Education includes free, web-based programs like email, document creation tools, shared calendars, and collaboration tools. Google Classroom is a Google Drive management system that allows for paperless communication between students and teachers. This service is available through an agreement between Google and Saint Michael School.

Google Suite for Education runs on an Internet domain purchased and owned by the school and is intended for educational use. Your student’s teacher will be using Apps for certain lessons, assignments, and communication.

Google Suite for Education is also available at home, the library, or anywhere with Internet access. School staff will monitor student use of apps when students are at school. Parents are responsible for monitoring their child’s use of Apps when accessing programs from home. Students are responsible for their own behavior at all times. Student safety is our highest priority.

Acceptable Use (Privacy and Safety)

Google Suite for Education is for educational use. Students may use Apps for personal use subject to the restrictions below and additional school rules and policies that may apply.

- **Privacy** - School staff, administrators, and parents all have access to student accounts for monitoring purposes. Students have no expectation of privacy on their school owned accounts. Email is limited to the St. Michael domain. Students may not send or receive messages from outside the domain.
- **Limited personal use:** Students may use Apps for personal projects but may not use them for:
  - Unlawful activities
  - Commercial purposes (running a business or trying to make money)
  - Personal financial gain (running a website to sell things)
  - Inappropriate sexual or other offensive content
  - Threatening another person
  - Misrepresentation of Saint Michael School, staff or students. Apps, sites, email, and groups are not public forums. They are extensions of classroom spaces where student free speech rights may be limited.

- **Safety**
  - Students may not post personal contact information about themselves or other people. That includes last names, addresses and phone numbers.
  - Students agree not to meet with someone they have met online without their parent’s approval and participation.
  - Students will tell their teacher or other school employee about any message they receive that is inappropriate or makes them feel uncomfortable.
  - Students are responsible for the use of their individual account and should take all reasonable precautions to prevent others from being able to use their account. Under no conditions should a user provide his or her password to another person.

- **Access Restriction - Due Process**
  - Access to Google Suite for Education is considered a privilege accorded at the discretion of SMS. SMS maintains the right to immediately withdraw the access and use of Apps when there is reason to believe that violations of law or SMS policies have occurred. In such cases, the alleged violation will be referred to the Principal for further investigation and account restoration, suspension, or termination. As a party of the Agreement with Google, SMS also reserves the right to immediately suspend any user account suspected of inappropriate use. Pending review, a user account may be terminated as part of such action.

- **Consumer Safety (Advice for Students and Parents)**
  - Don’t get scammed. Crooks are good at fooling people. They create fake emails and web pages that look real in a practice called phishing. Don’t trust links or web pages sent by email. Instead, open a new browser window and type in the address yourself.
  - Don’t get spammed. Spam is unwanted advertising sent by email. Never reply to spam and never do business with a company that sends spam. Use the “report spam” button to get rid of spam.
Digital Citizenship (Advice for All)

- Treat others well. It hurts to get a mean email just like it hurts when someone is mean in the school hallway. When using email or making a post on a forum or web page, be kind. Everyone will see what you write so think before you type. Be careful with what you say about others and yourself.

- Respect the rights of copyright owners. Copyright infringement occurs when an individual reproduces a work without permission that is protected by a copyright. If a work contains language that specifies acceptable use of that work, the user should follow the expressed requirements. If the user is unsure whether or not they can use a work, they should request permission from the copyright owner.

- Students have First Amendment rights to free speech. Your rights can be limited in school, though. If you post something via email or on a school webpage that disturbs the learning environment in your school, your right of speech may be limited. School websites, email, and groups are for educational use and are not considered public forums for debating ideas. This means that a school has the right to limit student speech that disturbs the learning process in these areas.

These are the laws and policies that help to protect our students online:

Child Internet Protection Act (CIPA) The school is required by CIPA to have technology measures and policies in place that protect students from harmful materials including those that are obscene and pornographic. This means that student email is filtered. Mail containing harmful content from inappropriate sites will be blocked. -- CIPA - http://fcc.gov/cgb/consumerfacts/cipa.html

Children’s Online Privacy Protection Act (COPPA) COPPA applies to commercial companies and limits their ability to collect personal information from children under 13. By default, Google advertising is turned off for Google Suite for Education users. No personal student information is collected for commercial purposes. This permission form allows the school to act as an agent for parents in the collection of information within the school context. The school’s use of student information is solely for education purposes. -- COPPA - http://www.ftc.gov/privacy/coppafaqs.shtm

Family Educational Rights and Privacy Act (FERPA) FERPA protects the privacy of student education records and gives parents rights to review student records. Under FERPA, schools may disclose directory information (name, phone, address, grade level, etc...) but parents may request that the school not disclose this information.

- The school will not publish confidential education records (grades, student ID #, etc...) for public viewing on the Internet.

- The school may publish student work and photos for public viewing but will not publish student last names or other personally identifiable information.

- Parents may request that photos, names and general directory information about their children not be published.

- Parents have the right at any time to investigate the contents of their child’s email and Google for Education files.

Appendix C: Technology Policy

The Chromebook is rented to the student by St. Michael during their time at St. Michael and will be returned to the school at the end of the school year. A 1:1 Device Management Fee of $50 will be assessed annually through students’ FACTS accounts. This fee will offset the final buyout cost of the device. The breakdown for device buyout is dependent on a students participation in payment of the yearly 1:1 Device Management Fee.

If the Chromebook fails to work or is damaged, report the problem to the Technology Help Desk as soon as possible. Chromebook repair/replacement options will be determined by the Technology Help Desk staff. You may be issued a temporary Chromebook or other materials until the Chromebook is working properly or replaced.

St. Michael School Distance Learning Protocol

2019-2020

St. Michael School Advisory Board, administration, and faculty members have developed a plan to continue work on snow days via distance learning assignments. The following guidelines have been discussed and modified through various stakeholder meetings.

Guidelines:

1. Distance learning assignments will begin on the second snow day. Snow day #1 will be a day off school, with no assignments posted. Distance learning has no effect on delayed start days. Delayed starts are counted as regular school days. Distance learning days will also count as regular school days. **There will be no more than two distance learning days consecutively.**

2. Archdiocesan Policy allows a maximum of five distance learning days counted during the school year. Any days past that will be made up either with days already factored in the calendar or added on to the end of the year.

3. There must still be a method of attendance for the distance learning days. Parents must email the homeroom teacher for each child to acknowledge that they and the student(s) have seen the assignments and worked on them diligently as if he or she were in a school environment. If your student is sick or cannot participate, he or she will be counted absent just like on a regular school day. Please uphold the honesty of the system. **If an email is not received by the homeroom teacher by 2:00 pm, your children will be marked absent.**

4. Teachers will post assignments on Sycamore in the News area by 10:00 am of the distance learning day. Teachers will also be available from 10:00-2:00 via email to answer any questions or give additional guidance. All teacher emails are found on the school website. Junior Kindergarten, Kindergarten and first grade teachers will send home packets by the second week of November. In grades 4-8, students will access their work by using Google Classroom or Sycamore. Teachers and administration will be available from 10:00-2:00 to answer questions.

5. While assignments may be discussed upon returning to school, they will be due to turn in no later than three days after the distance learning day. For example, if Tuesday is a distance learning day, all assignments will be due to the appropriate teacher no later than Friday. Ideally, assignments will be completed the day Distance Learning occurs and submitted. We are maintaining the rigor of the classroom and expect work to be done by students for a grade just as if they had been at school. All assignments will be graded.

6. Students will have assignments for all classes they would have attended had they been in school. This includes all special area classes.

7. Teachers are aware of several mitigating factors such as multiple children in a household trying to get online, grandparents or older siblings being in charge, potential power outages, printer problems, etc. We have worked on assignments with all this in mind and tried to provide a variety of authentic, practical pieces. If you have a unique issue, please make sure to tell the teacher(s) it affects so we can work with you to solve the problem.
Five Steps to Prepare for Successful Distance Learning School Days

1. Make sure you have signed up for Remind, the school notification system and make sure you know how to log in to Sycamore. Our school ID is 2472.

2. Be sure you have the right supplies/technology at home to make an online school day or any homework experience successful. These include:
   - Online access via computer, phone, tablet, iPad etc.
   - A working printer with sufficient ink and paper
   - Basic school supplies (scissors, glue, markers, crayons, highlighters etc.)
   - Check to be sure your computer has the appropriate software: an up-to-date version of Adobe Reader, Google Chrome, etc.
   - Don’t have Internet access or access to a printer? Plan ahead. Consider partnering with another family member or friend in the neighborhood to pool resources.

3. Students can find assignments on Sycamore on the teacher web pages by 10:00 a.m. each online school day. Assignments are to be completed and turned in as soon as they are complete. They must be turned in no more than three days after the online school day. Late or missing work will be handled just as it is for missing assignments on a regular school day.

4. Assistance during the day will be available from 10:00 a.m. to 2:00 p.m. Teachers will also be checking email hourly until 9:00 p.m. in case students work later in the day. For assistance with directions for assignments, contact the teacher via email. For assistance with technical issues or any other help, contact Mrs. Tackett.

5. Help, but do not teach. We do not expect you to suddenly become a teacher. Help your child locate the work and check to make sure the work is complete. For little ones, you or the caregiver may need to read the directions to them, but all work assigned should be able to be completed independently.

How do I view the teacher web pages?

To access your student’s classroom web pages, open your student’s profile by clicking on your child’s picture or the icon 🛡 at the top of the web page or going to My Family | Students and click on your student’s code. Any classes your student is associated with can be accessed by clicking on the Schedule tab. JK-5 teachers will post news on the homeroom page. Middle school and special area teachers will post in individual subject areas. Click on the class name to go directly to the classroom web page. A new window will open that takes you to a new page within Sycamore School for that class.
*All 5th grade parents and students must have a signed/initialed copy on file before being issued a school iPad

Care and Maintenance of the iPad

1. Do not attempt to gain access to the internal electronics or repair the iPad. If the iPad fails to work or is 
damaged, report the problem to the Technology Help Desk as soon as possible. iPad repair/replacement 
options will be determined by the Technology Help Desk staff. You may be issued a temporary iPad or other 
materials until the iPad is working properly or replaced.
2. Do not go outside of St. Michael for repair of the iPad, always go to the St. Michael iPad Support office with
